Pattern: Herringbone

The Perfect Alternative.

Alterna™ engineered stone tile flooring is the innovative alternative to natural stone and ceramic tile. Like stone and ceramic, it is incredibly beautiful and durable. But a comfortable surface makes Alterna tiles warmer to the touch, kinder to your feet, and easier to care for in any room of your home.

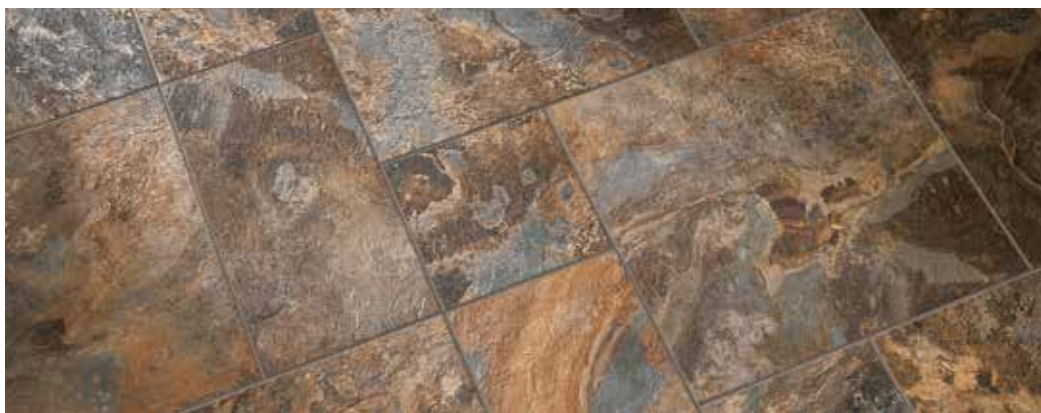

Express yourself with Alterna™

Alterna tiles represents a beautiful variety of natural stone designs and color palettes. Light or dark, warm or cool, subtle or striking, the choice is yours.

Beyond color and style, patterns add a whole new dimension of personalization. Install square tiles in a diamond pattern. Use rectangular tiles in a herringbone design. Mix sizes and shapes to create windmills and borders. These patterns and more are outlined on page 48.

Use the rooms featured here to inspire your imagination. And rest assured that no matter what look you choose, Alterna engineered stone lets you enjoy a floor that's as easy to live with as it is to love.

Why Alterna™?

Only Alterna tiles combine durable engineered stone construction with nature-inspired designs to create a floor that offers the ideal balance of beauty, comfort, durability and easy care.

Natural beauty

Exclusive Armstrong® flooring technology replicates the detail, texture and variation found in natural stone, bringing the look of genuine slate, travertine or marble tile floors into any room.

Easy care

An easy-to-clean surface repels stains and soil, while the stain-resistant grout requires no sealing.

ALTERNA™ RESERVE
Classico Travertine™
D4310
Blue Mist/Beige
Grout: F6 Driftwood

Warmth and comfort

Alterna may look like stone, but it feels entirely different. Its warm, comfortable surface is kinder to your feet, your family, and anything you may drop on it. It also absorbs sound for a quieter home.

Lasting strength

Durable engineered stone construction makes Alterna flooring tough enough to stand up to a lifetime of activity in your home. Kids, pets, heavy traffic – Alterna tile handles it all.

Lifetime Limited Residential Warranty

5-Year Limited Light Commercial Warranty

Proud to support American jobs

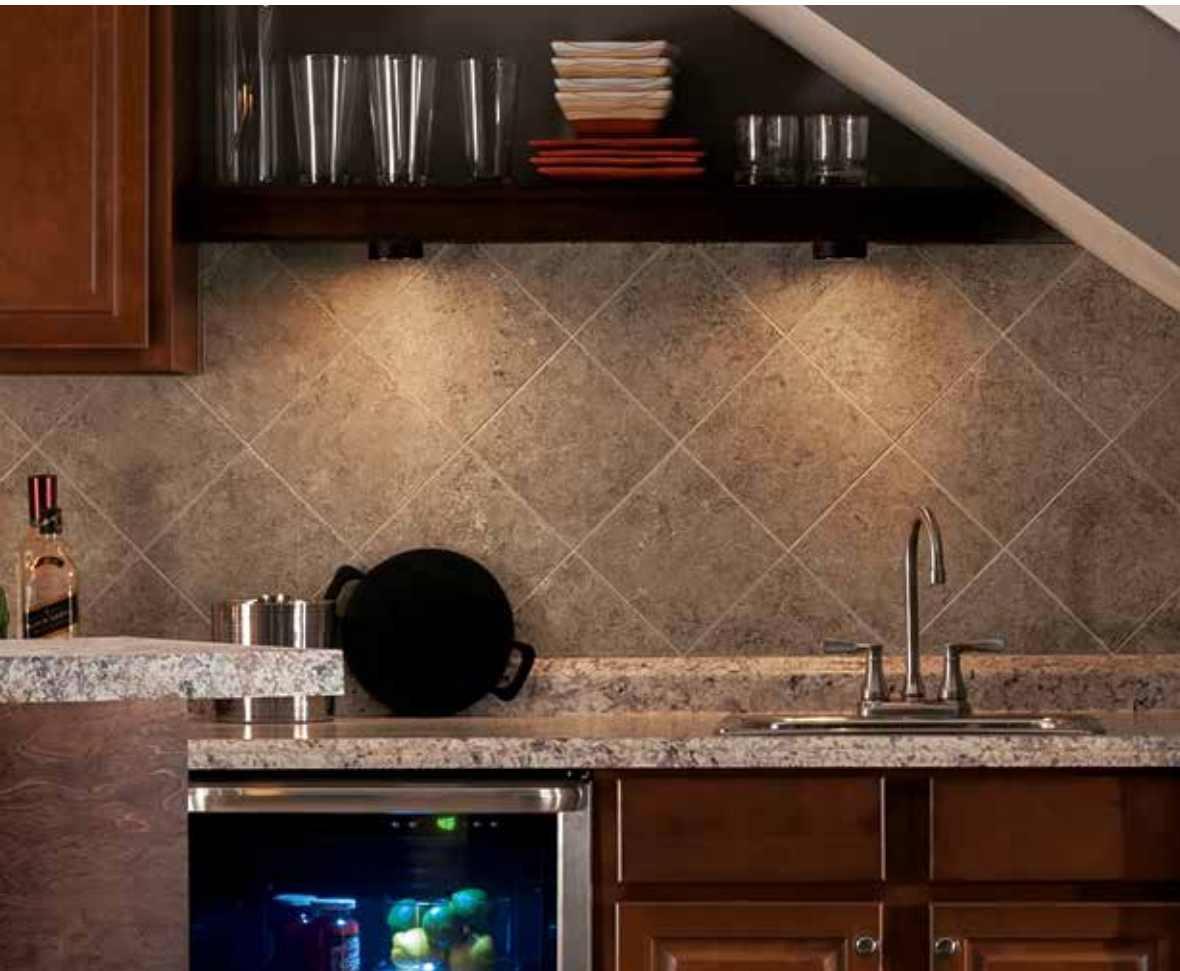

Alterna floors are manufactured in Kankakee, Illinois and feature more than 90% domestic content.

Installs anywhere

Alternatm tiles are ideal for kitchens, bathrooms, basements, laundry rooms, and other high-moisture areas. Unlike ceramic tile, it can be installed over minor subfloor irregularities without the risk of cracking. And, it installs in about half the time of ceramic tile.

More than floors

*The naturally inspired beauty of Alternatiles isn't limited to floors. With or without grout, Alternatiles can create decorative backsplashes, accent walls or other focal points.

**Note: Alternatiles are not recommended for shower walls, fireplace surrounds, or any wall application that exposes it to continuous saturation or temperatures above 300° F.*

ALTERNATM

Pattern: Staggered Brick
using 12" x 24" on floor
& 8" x 8" on wall

Creating patterns with Alterna™

The multiple sizes and shapes available in many Alterna collections allow you to express your personal style with a unique pattern installation. Even a subtle adjustment – like installing on an angle to create a diamond pattern or staggering the tiles like bricks – can dramatically change the look of your room.

FOR PATTERNED INSTALLATIONS:

- ❶ Calculate the square footage of the room
- ❷ Add 10% overage to the total
- ❸ Reference the pattern guides below to calculate the percentage of each tile size to purchase

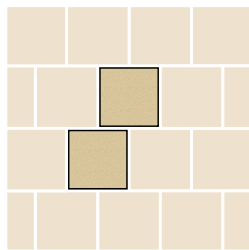

EXAMPLE: Installing a Windmill pattern in a 20' x 20' room

$$20 \times 20 = 400 + 10\% = 440 \text{ sq ft total}$$

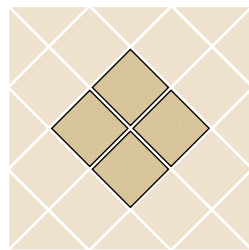

$$440 \times 89\% = 392 \text{ sq ft of } 8'' \times 16'' \text{ tiles}$$

$$440 \times 11\% = 48 \text{ sq ft of } 8'' \times 8'' \text{ tiles}$$

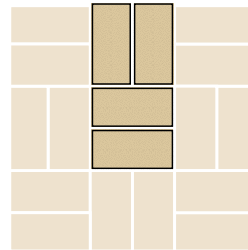

SINGLE TILE PATTERNS | The following patterns can be created using a single Alterna tile size.

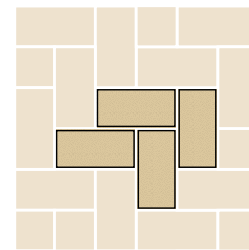

Staggered Brick
16" x 16", 12" x 12",
12" x 24", 8" x 16" or 8" x 8" 100%

Diamond
16" x 16", 12" x 12"
or 8" x 8" 100%

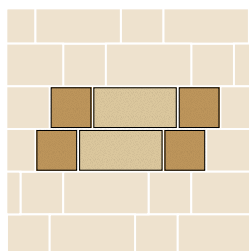

Basketweave*
8" x 16" or 12" x 24" 100%

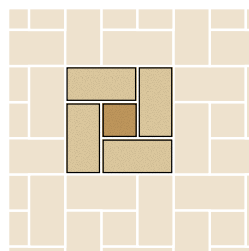

Herringbone
8" x 16" or 12" x 24" 100%

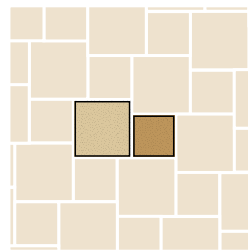

TWO-TILE PATTERNS | Using two different shapes or sizes of Alterna tiles allows you to create more intricate patterns.

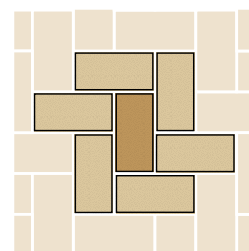

Random Coursed
12" x 24" or 8" x 16"
12" x 12" or 8" x 8" 67%
33%

Windmill*
12" x 24" or 8" x 16"
12" x 12" or 8" x 8" 89%
11%

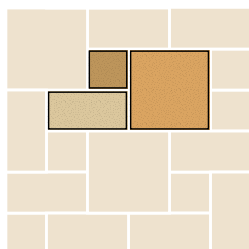

Hopscotch
12" x 12"
16" x 16" 36%
64%

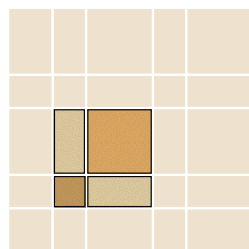

**Whispered & Regency Essence
Herringbone**
12" x 24" - D7176 65%
12" x 24" - D7175 35%

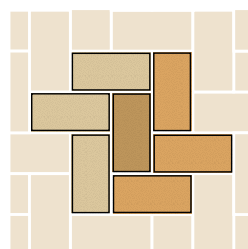

THREE-TILE PATTERNS | The most sophisticated patterns combine three shapes and sizes of Alterna tiles.

3-Way Opus*
16" x 16" 57%
8" x 16" 29%
8" x 8" 14%

Trellis*
16" x 16" 45%
8" x 16" 44%
8" x 8" 11%

**Enchanted Forest
Random Herringbone****
8" x 16" - D5197 40%
8" x 16" - D5198 40%
8" x 16" - D5199 20%

* Select patterns require a 1/8" grout line for installation.
** Pattern is random. Recommend performing a dry layout of tiles prior to adhering.

FOR BORDER INSTALLATIONS:

- ❶ Calculate the perimeter of the room in linear feet
- ❷ Add 5% overage to the total
- ❸ Reference the guides below to calculate the percentage of each tile size to purchase

Note: Remember that the figure you will get for a border is in linear feet – not square feet.

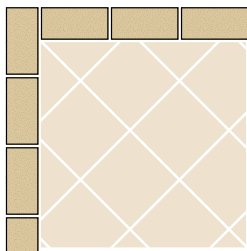

EXAMPLE: Installing an Alternating Border in a 20' x 20' room

$20 + 20 + 20 + 20 = 80 + 5\% = 84$ linear feet total

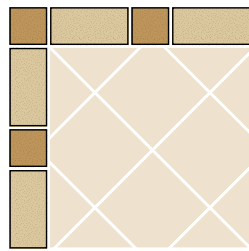

$84 \times 67\% = 56$ linear feet of 8" x 16" tiles

$84 \times 33\% = 28$ linear feet of 8" x 8" tiles

BORDERS | You can accent your Alterna floor with a border created from contrasting sizes or even contrasting colors.

Continuous Border
 16" x 16", 12" x 12", 12" x 24",
 8" x 16" or 8" x 8" 100%

Alternating Border
 12" x 24" or 8" x 16" 67%
 12" x 12" or 8" x 8" 33%

3-Way Opus

Continuous Border with Herringbone

Choosing your grout

Coordinate grout to enhance the authentic tile look of your Alterna floor. Armstrong S-693 Pre-mixed Sanded Acrylic Grout is ready to use, requires no sealing, and resists stains and cracking.

Your grout color choice will depend on the look you want to achieve.

MATCHING the grout color to the tile results in less noticeable lines between each tile and creates a more fluid look to the floor.

CONTRASTING the tile with a darker or lighter color grout will add definition to the lines between each tile and emphasize the tile size and installation pattern.

Grouted tiles may be spaced 1/16", 1/8" or 1/4" apart. The tighter the spacing, the less visible the grout lines will be.

FLOOR CARE PRODUCTS

The Armstrong family of floor care products is designed to keep your Armstrong floor looking as beautiful as the day it was installed.

Ask your Armstrong® flooring retailer about:

- Once 'n Done® Resilient & Ceramic Floor Cleaner

INSTALLATION

Use Armstrong S-288 for a full spread floor installation and Armstrong S-693 Pre-mixed Sanded Acrylic Grout. Install on walls with an appropriate high-quality wall adhesive. Follow the adhesive manufacturer's application and substrate recommendations. Restrictions and complete instructions at www.armstrong.com/alterna.

ENGINEERED STONE FLOORING

Armstrong Engineered Stone is a durable composite material made primarily of quarried limestone and topped with a non-porous resilient surface. This unique construction makes it:

- Strong, yet flexible enough to cover subfloor irregularities that can crack ceramic tile
- Ideal for high-moisture areas: kitchens, baths, basements and laundry rooms
- Easy to clean and care for

SLIP-RESISTANT

Wet or dry, the textured surface of Alterna tiles has been proven to be more slip-resistant than smooth ceramic tiles.

Specifications

Tile Size: 16" x 16", 12" x 12", 12" x 24",
8" x 16" and 8" x 8" (*select styles*)

Gauge: 0.160" (4.1 mm)

Lifetime Limited Residential Warranty and 5-Year Limited Light Commercial Warranty†

Backed by Armstrong, the most trusted brand in flooring.

†See warranty brochure or visit www.armstrong.com for warranty details, limitations, and exclusions.
