# DESIGNED FOR YOUR LIFESTYLE

DuraCeramic is inspired by nature and designed for your life; our floors are strikingly realistic and extremely practical with all the benefits of modern technology and innovation.

## HYGIENIC AND EASY TO CLEAN

With built in **Scotchgard Protector**® DuraCeramic is the only vinyl flooring with guaranteed stain and dirt resistance. Silver particles infused into the floor provide natural protection against mold and bacterial growth.

## CONSISTENTLY RANKED #1

DuraCeramic has been ranked the number one choice in hard surface flooring by a leading consumer rating magazine for 5-years.

## WARM AND COMFORTABLE UNDERFOOT

DuraCeramic is warm, soft and quiet underfoot, bringing an unexpected level of tranquility and comfort to your life.

## MADE IN THE U.S.A.

Congoleum is proud to support American jobs through domestic manufacturing.

## INSTALLATION FLEXIBILITY

Versatile DuraCeramic can be installed on a variety of subfloors and is a fast and easy installation.

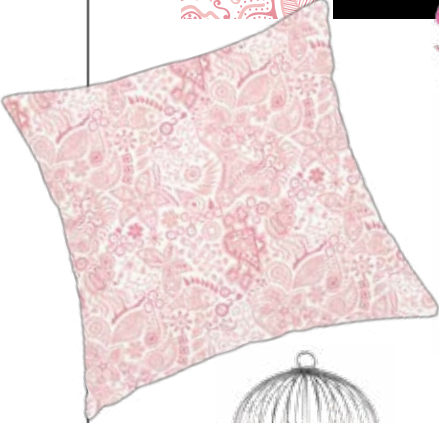

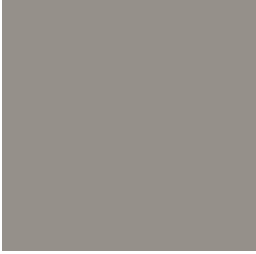

## ENVIRONMENTAL COMMITMENT

Congoleum is committed to environmental stewardship. Our floors are certified by FloorScore; a nationally renowned organization that ensures flooring products meet stringent indoor air-quality standards in addition to NSF-ANSI 332 Gold Level certification for sustainability.

## DESIGNING YOUR SPACE

Designing a room doesn't have to be hard. First find color inspiration in your clothes closet or jewelry box. Create an inspiration binder or board before you head to the stores; include room measurements and your color palette. Start with the biggest surfaces of a room such as the flooring, which will set the tone for the space.

Congo Tip: Contrast a sophisticated dark floor with feminine patterns and a light classic tufted sofa or ottoman.

## PRAIRIE WOOD™

Imagine a sanctuary nestled among acres of tall grass. Time spent here will awaken the senses, renew perspective, and inspire imagination. Introducing Prairie Wood, a luxury tile collection by Congoleum that blends sophisticated and rustic sensibilities to complement a variety of traditional and modern design styles.

# ENERGY™

Luxury Tile Collection

ENERGY, DFS02, BLEND

Energy reflects what its name suggests. This linear design with a hybrid wood/stone look has movement; the Energy collection by Congoleum makes a bold statement. It most strongly resembles a wood pattern but is indistinct enough to evoke the look of a striated stone. The chameleon quality of this design will complement traditional and contemporary spaces.

## COMPOSE your work of **ART**

Now is the time for budding ideas and creations. Let creative energy inspire you to embrace the design possibilities with DuraCeramic by Congoleum.

Design your room with patterns that span from neutral to bold, from vintage to classic. DuraCeramic offers an abundant palette full of possibilities so you can easily transform any space.

"Good design is not about matching, it's about curating the things you love. Combine accessories and furniture in unexpected ways to reflect your personality and lifestyle."

- Doty Horn, Design and Style Expert

Congo Tip: A neutral backdrop creates a welcoming interior when mixed with warm textures such as rough hewn wooden elements, textured tiles and nubby linens.

AMERICANA™

The Americana collection by Congoleum is inspired by the richness and beauty of America's cultural landscape. Its patina crackle finish instantly gives any space warmth and character.
